## WHY CHOOSE US?

Delta Partners International is dedicated to providing you and your firm with the highest level of service.

We provide dedicated sales and logistics support for each program to insure consistent, reliable results

- △ Highly qualified, international pool of trainers
- △ Strong client relationship management and support
- △ Competitive pricing and flexibility
- △ Outcome driven approach directly matches your company's needs

## OUR SERVICES

Delta Partners International provides best in class services for all our clients.

We provide highly customized programs tailored to your specific requirements.

Direct interaction between our clients, consulting trainers and client service staff ensures measurable outcomes for program participants.

We facilitate learning outcomes using a blended methodology combining interactive analysis, hands-on experiential models, market simulations and a state-of-the-art learning management system.

Our material databanks are continuously updated to insure accuracy and effectiveness of our services.

## OUR TEAM

Our Consulting Trainers are located globally and recognized by the industry as highly effective trainers and program facilitators.

Delta provides global expertise for our programs with local talent for program facilitation.
